

*Report 3*

23 October 1974

MEMORANDUM FOR:

25X1

SUBJECT : Proposed DCID on the IC Staff

1. This appears to be a fine (comprehensive) document for the community and clearly will have some PR value and perhaps clear the air in certain areas.

2. There appears to be some redundancy between subparagraphs k. and o. of paragraph 2, and in view of the content of paragraph 4a. perhaps it would be useful to also discuss the appointment criteria for the AD/DCI/IC.
